## Who It Is For

---

-  Needs 12-cup coffee batches for families
-  Wants automatic brewing with timer
-  Looks for easy cleanup features
-  Requires consistent coffee flavor extraction

## Who It Is Not For

---

-  Looks for compact coffee makers
-  Prefers manual brewing controls
-  Needs milk frothing capabilities
-  Wants single-serve brewing options

## Trade Offs to Consider

---

- Larger than single-serve machines
- No built-in milk frother
- Heavier than portable models
- Requires counter space for brewing

## How It Compares

---

- Better than single-serve machines for large groups
- Lacks milk frother compared to premium models
- More durable than basic drip brewers
- Slower than espresso machines

## Choose This If...

---

- ✓ Need 12-cup coffee batches
- ✓ Want automatic brewing convenience
- ✓ Prioritize easy cleanup
- ✓ Require consistent flavor extraction

## ✗ Skip This If...

---

- ✗ Need compact coffee maker
- ✗ Prefer manual brewing controls
- ✗ Want milk frothing features
- ✗ Looking for single-serve options
