

BLACK+DECKER CM1160B 12-Cup Digital Coffee Maker

QUICK BUYER GUIDE

Ideal for coffee lovers needing programmable brewing with a water window and sneak-a-cup feature

At a Glance Specs

CAPACITY

12-cup glass carafe with measurement markings

BREWING METHOD

Digital controls with auto brew and shut-off

DIMENSIONS

8.25"D x 12.25"W x 11"H

POWER SOURCE

AC adapter with 120V operation

WATER MONITORING

Front-facing water window for visibility

AUTO FEATURES

24-hour programming with 2-hour safety shut-off

DESIGN

Matte-black finish with removable tank

SAFETY

Keep-hot plate and non-dishwasher-safe carafe

Who It Is For

-  Needs programmable brewing with auto shut-off
-  Wants a water window to monitor coffee levels
-  Prefers a sneak-a-cup feature to avoid drips
-  Looks for a 12-cup capacity for family use
-  Seeks a semi-automatic coffee maker with digital controls
-  Desires a matte-black finish with durable glass carafe

Who It Is Not For

-  Prefers espresso machines over drip coffee
-  Needs a compact coffee maker for small spaces
-  Requires a dishwasher-safe carafe
-  Wants a coffee maker with a built-in grinder
-  Seeks a coffee maker with a programmable timer only
-  Needs a coffee maker with a built-in milk frother

Trade Offs to Consider

-  Lacks a built-in milk frother or espresso function
-  Not dishwasher-safe for carafe
-  Heavier than some compact models
-  Requires manual cleaning of the brew basket
-  No app-based controls or smart features
-  May need to adjust water levels manually

Users Say

● POSITIVES

- ✓ Sneak-a-cup feature prevents messes
 - ✓ Easy-to-read digital display
 - ✓ Durable glass carafe with measurement markings
 - ✓ Programmable timer for convenience
-

● COMPLAINTS

- ⚠ Brew basket requires frequent cleaning
- ⚠ No app connectivity for automation
- ⚠ Water window is helpful but not essential
- ⚠ Heavier than expected for a coffee maker

How It Compares

- Offers more capacity than single-serve machines
- Includes a programmable timer unlike basic models
- Has a water window for visibility compared to standard brewers
- Lacks a built-in milk frother found in premium machines
- More durable glass carafe than plastic alternatives
- Heavier than some compact coffee makers

Choose This If...

- ✓ Needs a 12-cup programmable coffee maker with a water window
- ✓ Values a sneak-a-cup feature to avoid drips
- ✓ Prefers a semi-automatic machine with digital controls
- ✓ Looks for a durable glass carafe with measurement markings

✗ Skip This If...

- ✗ Requires a compact coffee maker for small spaces
- ✗ Needs a dishwasher-safe carafe
- ✗ Wants a coffee maker with a built-in grinder
- ✗ Seeks a smart coffee maker with app connectivity
