

De'Longhi Dedica Maestro Plus Espresso Machine

QUICK BUYER GUIDE

Home baristas and coffee enthusiasts seeking a compact, easy-to-use espresso machine with automatic steam wand

At a Glance Specs

PRESSURE

15 bar professional pump for precise extraction

TEMPERATURE SETTINGS

3 adjustable settings for optimal extraction

TANK CAPACITY

54 oz removable tank for multiple brews

MATERIAL

Stainless steel construction for durability

SIZE

Compact design fits small countertops

DISHWASHER SAFE

Easy-to-clean parts for quick maintenance

Who It Is For

-  Home baristas seeking precise espresso extraction
-  Coffee enthusiasts wanting automatic milk foam
-  Users needing compact design for small countertops
-  Those looking for easy-to-clean dishwasher-safe parts
-  People desiring 3 temperature settings for customization
-  Individuals needing a semi-automatic operation mode

Who It Is Not For

-  Those preferring fully automatic espresso machines
-  Users with limited countertop space for large machines
-  Individuals needing advanced app-based controls
-  People who prefer manual steam wand operation

Trade Offs to Consider

-  Limited customization beyond 3 temperature settings
-  Requires manual pre-infusion pressure adjustment
-  No built-in milk frother for immediate use
-  Dishwasher-safe parts may need extra cleaning steps

Users Say

● POSITIVES

- ✓ Consistent milk foam for lattes and cappuccinos
- ✓ Compact size fits well in small kitchens
- ✓ Easy to clean with dishwasher-safe parts

● COMPLAINTS

- ⚠ Manual pre-infusion requires attention to detail
- ⚠ Fewer temperature settings than high-end models
- ⚠ Dishwasher-safe parts take longer to dry

How It Compares

- Compared to fully automatic machines, requires more manual steps
- Smaller than commercial espresso machines but more compact than many home models
- Offers fewer temperature settings than high-end commercial machines
- Dishwasher-safe parts may take longer to clean than non-dishwasher-safe options

Choose This If...

- ✓ Desire precise espresso extraction with 15 bar pressure
- ✓ Need automatic milk foam for lattes and cappuccinos
- ✓ Seek a compact machine for small countertops
- ✓ Want easy-to-clean dishwasher-safe parts

✗ Skip This If...

- ✗ Preferring fully automatic machines with minimal manual steps
- ✗ Need more temperature settings than 3 options provide
- ✗ Require advanced app-based controls for customization
- ✗ Looking for a machine with a built-in milk frother
