67.6 fluid ounces of brewed coffee

DIMENSIONS

14"D x 16.5"W x 18.5"H footprint

VOLTAGE

Standard 120 volts household power

WEIGHT

35.3 pounds with included accessories

COLOR

Stainless steel finish with metallic accents

OPERATION

Semi-automatic with dial and button controls

SPECIAL FEATURES

19 bar pump, cold brew technology, smart tamping

Who It Is For

-  Coffee enthusiasts wanting versatility
-  Users needing precise grinding control
-  Baristas seeking professional-grade tools
-  Cold brew creators with extraction technology
-  Home brewers prioritizing consistency

Who It Is Not For

-  Compact machine users with limited counter space
-  Those without space for a built-in grinder
-  Users needing app-based controls
-  Budget-conscious buyers seeking basic models

Trade Offs to Consider

- Larger footprint than compact models
- No app-based connectivity options
- Higher price than basic espresso machines
- Requires learning curve for manual frothing
- Heavier than portable alternatives

How It Compares

- More features than basic espresso machines
- Includes cold brew technology unlike many models
- Better grind consistency than manual grinders
- Fewer automated functions than fully automatic machines
- Higher price than entry-level commercial units

Choose This If...

- ✓ Want precise espresso extraction control
- ✓ Need cold brew and cappuccino capabilities
- ✓ Value built-in grinder and frother
- ✓ Seek professional-grade brewing tools

✗ Skip This If...

- ✗ Need compact countertop space
- ✗ Prefers app-based machine controls
- ✗ Looking for lower price point
- ✗ Requires minimal learning curve
