## Who It Is For

---

-  People needing quick hot water for tea
-  Users making instant noodles or coffee
-  Those who prefer cordless serving
-  Kitchen counters with limited space
-  Busy mornings requiring fast boiling
-  Users looking for safe, reliable heating

## Who It Is Not For

---

-  Those who need large volumes of water
-  Users without a countertop for placement
-  People requiring high wattage for rapid boiling
-  Individuals with glassware sensitivities
-  Those who prefer compact designs
-  Users needing built-in scale filters

## Trade Offs to Consider

---

-  Slower than microwave for small amounts
-  Requires countertop space for operation
-  Higher cost than basic kettles
-  Limited to single use without cord
-  Heavier than some portable models
-  Not ideal for frequent, large-scale use

## Users Say

---

### ● POSITIVES

- ✓ Fast and reliable for making tea
- ✓ Looks great on the countertop
- ✓ Easy to clean with glass interior
- ✓ Safe with auto shut-off feature
- ✓ Convenient for serving at the table

---

### ● COMPLAINTS

- ⚠ Heavier than some models
- ⚠ Not ideal for frequent use
- ⚠ Limited to single use without cord
- ⚠ Higher cost than basic kettles
- ⚠ Not as compact as portable options

## How It Compares

---

- Faster than stovetop but slower than microwave
- Safer than stovetop but not as compact as portable
- More expensive than basic kettles
- Easier to clean than stainless steel models
- Requires countertop space for operation
- Better for single servings than large volumes

## Choose This If...

---

- ✓ You need quick hot water for tea
- ✓ You want a safe, reliable kettle
- ✓ You prefer cordless serving
- ✓ You need a countertop-friendly design
- ✓ You value clear glass and LED indicators
- ✓ You want a durable, easy-to-clean kettle

## ✗ Skip This If...

---

- ✗ You need large volumes of water
- ✗ You prefer compact, portable models
- ✗ You don't have countertop space
- ✗ You want a lower-cost option
- ✗ You need built-in scale filters
- ✗ You require frequent, large-scale use
