WEIGHT

13.6 ounces for single unit

Who It Is For

- ✓ Home baristas seeking rich espresso
- ✓ Those who prefer manual brewing
- ✓ Users with stovetop cooking surfaces
- ✓ People who want to share espresso
- ✓ Coffee lovers looking for traditional method
- ✓ Users with limited kitchen space

Who It Is Not For

- ✗ Those who want automatic espresso machines
- ✗ Users needing dishwasher-safe options
- ✗ People seeking electric-powered devices
- ✗ Individuals who prefer pre-programmed settings
- ✗ Users requiring instant espresso
- ✗ Those who need compact espresso machines

Trade Offs to Consider

- Requires manual operation and stovetop heat
- Not dishwasher safe for cleaning
- Limited to 6 cups of espresso at a time
- May need adjustments for pressure and grind
- Requires careful handling of hot water
- Not ideal for instant or quick brewing

Users Say

● POSITIVES

- ✓ Produces rich, full-bodied espresso
- ✓ Easy to handle with cool-touch design
- ✓ Classic style that looks great in the kitchen
- ✓ Ideal for sharing with friends or family
- ✓ Durable and long-lasting aluminum build

● COMPLAINTS

- ⚠ Requires precise grind and tamping
- ⚠ Not suitable for those with limited stovetop space
- ⚠ Manual operation can be time-consuming
- ⚠ Limited capacity for large gatherings
- ⚠ Not ideal for those who want instant results

How It Compares

- Better than electric machines for traditional brewing
- Less convenient than automatic espresso machines
- More durable than plastic alternatives
- Not as compact as modern espresso machines
- Better for those who prefer manual control
- Less efficient than instant espresso methods

Choose This If...

- ✓ You want to brew rich espresso at home
- ✓ You prefer manual stovetop brewing
- ✓ You need a durable and classic espresso maker
- ✓ You want to share espresso with others
- ✓ You have a stovetop for cooking

Skip This If...

- ✗ You need an automatic espresso machine
- ✗ You want dishwasher-safe options
- ✗ You require compact or instant brewing
- ✗ You prefer electric-powered devices
- ✗ You need a machine for large gatherings
