 **DISHWASHER SAFE**
Removable parts clean in dishwasher

Who It Is For

-  Users needing automatic espresso and coffee brewing
-  Those requiring multiple pod type compatibility
-  Single-serve coffee lovers with limited counter space
-  Dishwasher-safe machine users

Who It Is Not For

-  Manual brewing enthusiasts
-  Users prioritizing compact design
-  Single pod type users

Trade Offs to Consider

- Higher power consumption than basic models
- Larger footprint compared to compact brewers
- Limited cup size options beyond 10oz

How It Compares

- Better pod versatility than single-pod machines
- Matches automatic brewers in ease of use
- Includes milk frother unlike basic espresso machines

Choose This If...

- ✓ Need 4-in-1 pod and ground coffee compatibility
- ✓ Want automatic brewing with adjustable cup sizes
- ✓ Require dishwasher-safe components
- ✓ Value included milk frother for lattes

Skip This If...

- ✗ Preferring manual brewing controls
- ✗ Need compact countertop design
- ✗ Only use single pod types
