## Who It Is For

---

-  Home users who want customizable coffee strength
-  People who prefer 24-hour brewing scheduling
-  Those who need a warming plate for extended coffee
-  Users who want a removable water reservoir
-  Individuals who brew coffee for multiple people
-  Users who prioritize ease of cleaning

## Who It Is Not For

---

-  Users who need a compact coffee maker
-  Those who prefer manual brewing methods
-  People who require a built-in grinder
-  Users who need a portable coffee maker
-  Individuals who brew coffee for single servings only
-  Those who want a budget-friendly coffee maker

## Trade Offs to Consider

---

-  Larger size may take up more counter space
-  No built-in grinder requires pre-ground beans
-  Heavier weight may be less portable
-  Warming plate may not keep coffee hot for all users
-  Removable tank may require more frequent cleaning
-  Higher price point compared to basic models

## Users Say

---

### ● POSITIVES

- ✓ Consistent coffee strength with 2 brew styles
- ✓ Easy to clean with removable parts
- ✓ Good for brewing for multiple people
- ✓ Convenient 24-hour delay brewing option

---

### ● COMPLAINTS

- ⚠ Heavier than other coffee makers
- ⚠ No built-in grinder included
- ⚠ Warming plate may not be sufficient for all users
- ⚠ Higher price compared to similar models

## How It Compares

---

- More advanced than basic drip machines
- Better than manual brewing methods
- Less convenient than portable coffee makers
- More expensive than entry-level models
- Better for brewing large batches
- Worse for single-serve brewing

## Choose This If...

---

- ✓ You need customizable coffee strength
- ✓ You want 24-hour brewing scheduling
- ✓ You need a warming plate for extended use
- ✓ You prefer a removable water reservoir
- ✓ You brew coffee for multiple people
- ✓ You prioritize ease of cleaning

## Skip This If...

---

- ✗ You need a compact coffee maker
- ✗ You prefer manual brewing methods
- ✗ You require a built-in grinder
- ✗ You want a portable coffee maker
- ✗ You brew coffee for single servings only
- ✗ You want a budget-friendly coffee maker
