GRINDING SETTINGS

19 options for customized grind

WATER TANK

94.7 oz removable for multiple brews

MILK FROTHER

Built-in for lattes and cappuccinos

STYLE

Modern design for kitchen integration

POWER

120 volts for standard outlets

WEIGHT

16.34 lbs for stable operation

DIMENSIONS

13.43"D x 13.39"W x 15.02"H

Who It Is For

- ✓ Home baristas seeking professional-grade espresso
- ✓ Coffee enthusiasts wanting customizable grind
- ✓ Users needing milk frother for lattes
- ✓ Those with limited counter space for compact design
- ✓ Modern kitchen decor enthusiasts

Who It Is Not For

- ✗ Commercial coffee shops requiring high-volume machines
- ✗ Users prioritizing ultra-compact footprint
- ✗ Those without standard 120V outlets

Trade Offs to Consider

- Limited to home use only
- Requires setup for optimal performance
- Heavier than portable alternatives

How It Compares

- Versus semi-automatic machines: Includes built-in frother
- Compared to manual grinders: Integrated 19-setting grinder
- Against lower-end models: 20 bar pressure for richer extraction

Choose This If...

- ✓ You want home espresso with built-in grinder
- ✓ Need milk frother for specialty drinks
- ✓ Value modern kitchen design
- ✓ Have space for 16.34 lbs machine

Skip This If...

- ✗ Require commercial-grade performance
- ✗ Need ultra-compact footprint
- ✗ Lack standard 120V outlet
