## Who It Is For

---

-  Tea and coffee enthusiasts needing precise temperature control
-  Users seeking durable materials like stainless steel and glass
-  Those who want an integrated infuser for loose leaf tea
-  People prioritizing safety with automatic shut-off

## Who It Is Not For

---

-  Users who don't need temperature control settings
-  Those who prefer plastic parts over glass and stainless steel
-  People who don't use loose leaf or bagged tea
-  Individuals needing a smaller 1.5-liter capacity

## Trade Offs to Consider

---

-  Higher price compared to basic kettles
-  Requires hand washing only
-  Bulkier design due to glass construction
-  Made in China but designed in Italy
-  Weight of 2.99 pounds may be cumbersome

## How It Compares

---

- Offers temperature control absent in basic models
- Includes infuser unlike standard kettles
- Durable materials vs. cheaper plastic alternatives
- Larger capacity than some compact kettles
- Italian design vs. generic models

### Choose This If...
