- ✗ Wants durable glass alternatives

## Trade Offs to Consider

---

- Less durable than glass jars
- Smaller capacity than larger models
- Limited to dry goods storage
- Requires careful handling

## How It Compares

---

- Better than plastic containers for preservation
- Smaller than 500ml jars for portion control
- More decorative than plain canisters
- Less durable than ceramic containers

## Choose This If...

---

- ✓ Want traditional Japanese aesthetics
- ✓ Need airtight storage for tea
- ✓ Prefers lightweight paper containers
- ✓ Looking for 200g capacity

## Skip This If...

---

- ✗ Require dishwasher-safe materials
